

5 Simple Steps to Purchase ONLINE

Step 1

Register your personal account at cryobank.com to immediately begin saving your favorite donors and searches, ordering donor information, receiving special alerts and more.

Step 2

Make sure to have the **Authorization for Release of Semen (A1)** signed by your physician so that you may schedule your vial delivery. From the My Account page, click the Account Information link, then the Physician tab and follow the instructions to have the A1 faxed directly to your physician or download the form and bring to his/her office yourself.

Step 3

Select your ideal donor from the industry's most comprehensive catalog using our donor search engine and consultation services.

(Don't forget your A1 form!)

Step 4

Purchase your vials online or by phone at 866-9-CRYOBANK. For online orders, digitally accept the Purchase/Storage Agreement upon your first purchase. For phone orders, fax a signed copy of the enclosed agreement prior to your first purchase. **Remember: You may purchase vials without the A1 but CCB must receive a physician-signed A1 before you are able to schedule a shipment.**

Step 5a

Schedule your FedEx **shipment** online (or by phone at 866-9-CRYOBANK). Plan for your vials to be delivered 24-48 hours prior to your insemination to ensure that they arrive on time.

Step 5b

Select a vial storage option. Plan for the future using our **Family Today & Family Tomorrow** free storage plans. Donors often sell out, so be sure to store extra vials while they are available.
