

# **ARE YOU LOOKING FOR YOUR SIBLING?**

MTV'S *TRUE LIFE* WANTS TO HEAR  
YOUR STORY!

Have you lost touch with your sibling or step-sibling and want to reconnect? Were you separated from your brother or sister at a young age and have no idea of their current whereabouts? Or have you recently learned that you have a sibling you had no idea existed? Or maybe your biological father was a sperm donor and you're looking to connect with your half siblings online? Are your other family members supportive of your search or put off by the idea?

Well, MTV's True Life wants YOU to tell our viewers what it's like to be on the search for your sibling.
