Michael J. Bauer, M.D., Medical Director  
Tissue Bank Director  
California Cryobank, LLC  
369 Lexington Avenue, Suite 401  
New York, NY 10017  
Facility ID: 569

Dear Dr. Bauer:

We have determined that your plan of correction satisfactorily addresses the deficiencies identified during the most recent on-site survey of your tissue bank. Please find enclosed the license certificate for operation at the following location:

California Cryobank, LLC  
369 Lexington Avenue, Suite 401  
New York, NY 10017

The certificate is effective until the date indicated and replaces that issued April 19, 2023. The certificate must be posted conspicuously at the approved location. Your license is specific to this location; you must notify the Department of any changes in address.

You must submit a new application if you intend to expand your services or activities beyond those listed on this certificate. All tissue for clinical use must be procured, processed, stored, and distributed by tissue banks licensed by the Department for the relevant activities.

To remain in compliance with New York State regulations, you must also:

- Report any changes in director, medical director, and compliance officer within five days;
- Report any change in ownership of five percent or more within 30 days;
- Report any accidents in retrieval, testing, processing, storage, or distribution that may affect the safety of any product within seven calendar days of discovery.

Application forms and specifics of 10 NYCRR Part 52 and Subpart 58-5 regulations are available online at <https://www.wadsworth.org/regulatory/tissue-resources>. If you have any questions, please call (518) 485-5341, or e-mail [tissue@health.ny.gov](mailto:tissue@health.ny.gov).

Sincerely,

Alan Ravin
